Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

Part I Line 2 Animal Charity Evaluators evaluates charities based on 7 criteria, listed
below. Those which perform best on these criteria are named Supported Top or Standout
Charities and we collect donations on their behalf. Top Charities are reviewed each year
and Standouts reviewed every 2 years, to ensure that they used our donors' funds well. If,
upon review, we determine that a supported charity no longer deserves our recommendation,
we phase out collecting donations on their behalf.
Part I Line 2 Criterion: 1) Does the charity engage in programs that seem likely to be
highly impactful? 2) Does the charity have room for more funding and concrete plans for
growth? 3) Does the charity operate cost-effectively, according to our best estimates? 4)
Does the charity possess a strong track record of success? 5) Does the charity identify
areas of success and failure and respond appropriately? 6) Does the charity have strong
leadership and a well-developed strategic vision? 7) Does the charity have a healthy
culture and a sustainable structure. For the Research Fund grants, applications are
evaluated based on (i) the relevance of the proposal to animal advocacy, (ii) the strength
of the evidence that the study design is likely to achieve, and (iii) the likelihood of
success. We require grant recipients to submit a detailed expense report and a summary of
their research results, and require them to comply with an open science policy. We follow
up with grant holders at least twice a year.
